Check Us Out on Weekends!

Join us every Saturday and Sunday for hikes and talks.
All ages are welcome. *Donations appreciated!*
Space is limited – sign-ups are taken the day of the event.
We recommend you arrive 30 minutes prior to start time.

Saturdays – 10:30am	Sundays – 1:30pm
	February 1 – Critter Close-Up Get eye to eye with one of our furry, scaly, or feathered residents.
February 7 – Secrets of a Wildlife Watcher Much of what we know about wildlife was discovered by just watching. Take a walk in the Nature Area and sharpen your observation skills.	February 8 – Finding Your Way Join docent Jennifer Kerr for a guided map and compass walk. You will learn how to use a compass, take bearings, read a compass with a map and find your way around the trails. 
February 14 – Duck, Duck, Goose Winter is a great time to see waterfowl along the American River. Join a naturalist on a guided walk to look for herons, ducks, geese and other birds along the river. Bring your binoculars or borrow some of ours!	February 15 – Pipevine Swallowtail Come learn about this beautiful butterfly and its amazing life cycle! Then take a hike with a naturalist to look for the butterfly's Pipevine plant host with its unique blossoms.
February 21 – Birding for Families Bring the family out for a birding and nature walk led by a Naturalist and our special guest guides from the Sacramento Audubon Society. Birdwatchers of all levels welcomed. Make sure to bring your binoculars, or we can loan you a pair.	February 22 – Owl Be Seeing You Uncover the mysteries of owls: what they eat, where they sleep, how they find food and more! And get a close-up look at a live owl.
February 28 – Tools and Tales Come join us for some tantalizing tales of creatures, people, and nature! Get a chance to view replica Maidu artifacts made from the gifts of the earth and learn about their many uses.	

Save the Dates for Bird and Breakfast!

Join the Sacramento Audubon Society and the American River Natural History Association for a weekend of birding!
